INVITATION LETTER

Dear Colleagues,

It is a great honor and pleasure for me, as President of the Congress, to announce the 3rd Mediterranean Multidisciplinary Oncology Forum (MMOF) Congress, to be held in the capital of Greece, Athens, in October 24-26, 2013.

This 3rd congress is following on previous important scientific endeavors of MMOF in the Mediterranean area. Our aim is to provide an International Forum for discussion, to share new developments and knowledge for the diagnosis and treatment of cancer and to exchange stimulating ideas for the advancement of oncology research and care in our area.

A prestigious faculty of oncology experts from many countries and representing various disciplines, including medical oncology, radiotherapy, oncological surgery, breast surgery, molecular biology, oral oncology etc. has been assembled to review and analyze current state-of-the-art issues and hot topics regarding many types of neoplasias. The Congress will feature round tables, invited lectures, panel discussions of challenging cases, scientific debates, oral presentations, poster viewing sessions and special workshops for Young Oncologists. The program will also encompass a special noteworthy event, the "SKIN CANCER DAY", an entire morning devoted to the latest developments in Melanoma and Skin Cancer, discussed and presented by world opinion leaders in this field.

We are looking forward to welcoming you in the beautiful city of Athens, to experience and delight in the civilization, the hospitality and the beauties of the city and to share and benefit from a dynamic and innovative scientific event.

Dimitrios J. Bafaloukos, MD
President of the MMOF Congress

ORGANIZING COMMITTEE - (BOARD OF DIRECTORS OF MMOF)

Guidelines for writing and submitting the abstracts

The abstracts will be reprinted with direct reproduction from the original form, without any corrections.

Typing of the summary should be made electronically in Microsoft Word program version 2010 or older, single-spaced, using the Calibri font and size 11, in English. The paper should not exceed 300 words.

Start typing by following closely the instructions below:

- In bold capital letters the title of the abstract
- The writers' names, highlighting the name of the author presenting the paper. The first name's initial should precede the last name
- The institutes to which the authors are employed
- The paper should include introduction, purpose, results and conclusions
- Do not use special characters that are not common to all the fonts

Instructions for submission of abstracts:

- Authors should send a copy of the abstract with their contact details via e-mail at: k.bisia@events.gr, writing on the subject: "3rd MMOF Congress"
- Abstracts sent by fax will not be accepted
- Authors must indicate their preferred choice of presentation (oral or poster). However, the Scientific Committee reserves the right to decide the final form of presentation
- Changes, additions or corrections will not be accepted after the submission of the abstract
- Abstracts that do not meet all the above requirements or are submitted after the deadline are not acceptable

The authors will be notified by September 10th 2013 whether their abstract has been accepted and the way it will be presented.

Information about the technical preparation of the poster will be posted on the websites www.events.gr and www.medmof2013.com

Abstract Deadline July 31st, 2013

For any clarification, please contact the Congress' Secretariat.
